CHOU

TBRK0342

In Japanese culture, 'Chou' or butterfly symbolises transformation and reincarnation. Butterflies are often used to refer to the celebration of youth and beauty. Samurai warriors also used the butterfly as a motif to describe their lives, transforming to become stronger and fitter, to 'fly' higher and to die gracefully.

Roll Length: 10m - 11 yards , **Roll Width:** 70 cm - 27 9/16 in , **Pattern Repeat:** 54cm - 21 17/64 in ,
