## 12" RK FABRIC SHADE - HANATABA

6612G-RK-TBRK0905-01

12" RK Fabric shade is gathered with the Hanataba fabric, self trim and BC gimble fitting. Shown on our Shalbourne Lamp.

The Hanataba fabric design is based on a Bingata fragment found by Robert and Tory in Japan. 'Hanataba' or bouquet of flowers is a digitally printed fabric depicting brightly coloured flowers and interlacing leaves. Traditionally these special fabrics were worn underneath clothes or used as lining; simply to be appreciated by the wearer and not by anyone else.

The shade is hand-stitched in England. All Robert Kime fabric lampshades can be made to order in any size. For more information, please contact our showroom.
