16" IKAT SHADE - ANDIJAN

6616D-IK-IK230A-01

This gathered fabric lampshade has a self trim and comes with a shade carrier. Please note the second picture shows an 22" shade.

Ikats are made using tie-dyeing method to create the colour and design. Certain areas are tied so they can resist the dye. This process is repeated until the design has finished.
