GEORGIAN PICTURE RAIL BACKPLATE - ANTIQUE BRASS

PRBPB

Robert Kime Picture Railing is based on a document example from the Robert Kime archive and is a classic approach to hanging art in a room.

Our Picture Railing is a group of 6 elements -
Rail
Ball End
Backplates (2 options)
Bracket
S Hook
Chains (3 options)

The Georgian Backplate support the rail to the wall and therefore the weight of the art.

All elements of our Picture Railing come in our signature hand-coloured antique brass.
