## HISHI FABRIC CUSHION

RK004-TBRK0919-04

Hishi, from the Nara collection, was inspired by an antique scarf Robert and Tory found in Kyoto. 'Hishi' is known as an edible water plant in Japan, where the seed has a diamond shape. Tassels are all hand made to match. Kindly note: the pattern placement of the lines might differ as the fabric has a large repeat.

All Robert Kime fabric cushions can be made to order in any size. For more information, please contact our showroom.
