MIRADOR RELIEF SIDE TABLE

F4109B

Occasional tables designed and made in England in our own workshops, taking inspiration from Moorish architecture. Originals of this design were made popular in the late 19th Century by Liberty & Co. This example features a relief pattern carved into the wood.

Available in ash or crackle paint black or crackle paint cream with gilt highlights. Shown here in crackle paint dark green and orange.

Height: 40 cm (15.7 in) ,
