PHILIP WEBB TABLE

F41492-X

Based on an original design from 1865 by the English Arts and Crafts architect Philip Webb for Morris & Co., this round dining table features ring-turned legs joined by radiating stretchers. Available in oak, ash or walnut, this table is available in several sizes. Shown here in oak with a 48" tabletop, it is available with six legs with a 48" (122 cm) or 60" (152.5 cm) tabletop, or eight legs with a 66" (167.5 cm) or 72" (183 cm) tabletop.

Robert Kime furniture is crafted by hand in England in our own workshops, using traditional methods and materials. All of the wood used is PEFC & FSC certified. Like everything at Robert Kime, the styles are based on references and examples from our archive and Robert's personal collection and design.
