

◆ ROBERT KIME ◆

SIMBEL GOLD

T1002

Based on an antique trim found in the Robert Kime archive, this new offering to the collection is uniquely woven from wool and silk. These trims are then hand-washed and dried in the sun to give an antiqued appearance. Named after Abu Simbel, in Egypt, where Robert took great inspiration from and sourced many of his antique trims. This trim design is available in three colourways.

Material: 70% Silk, 20% Cotton, 10% Wool

Size: 3.7 cm (1.5 in)
