

SOMERFORD DEMI-LUNE TABLE

F4120F

A classic Georgian-style demi-lune table in the manner of Robert Adam. This tulipwood side table is hand-painted in a French grey, protected with a dead flat varnish and finished with a Breccia Capraia marble top.

The measurements given are for the frame and do not include the marble top. We recommend a 1.5cm (0.59 in) marble overhang on the round edge of the table. If you would like an additional overhang on the back edge to compensate for a skirting board, please let us know.

Robert Kime furniture is crafted by hand in England in our own workshops, using traditional methods and materials. All of the wood used is PEFC & FSC certified. Like everything at Robert Kime, the styles are based on references and examples from our archive and Robert's personal collection and design.
