SOMERFORD DEMI-LUNE TABLE

F4120F

A classic Georgian-style demi-lune table in the manner of Robert Adam. This tulipwood side table is hand-painted in a French grey and finished with a Breccia Capraia marble top. It is entirely crafted in England, the tulipwood is sourced in America and is PEFC & FSC certified. Finished with a dead flat varnish for protection. The measurements given are for the frame and do not include the marble top. We recommend a 1.5cm marble overhang on the rounded edge of the table. If you would like an additional overhang on the back edge to compensate for a skirting board, please note on your enquiry.
